Power down request for vacating property - Sanctuary Lakes Resort

I, _____ of the address _____
_____ and mobile _____

hereby request security patrol officer (patrol officer name) _____ to disconnect the property's alarm system from all power sources as I will be vacating the property and disconnecting the mains power. I understand that the alarm system will be disconnected from the power supply until a new resident takes occupancy.

The managing real estate agent will be notified for rental properties.

I am aware that, while the alarm system is without power, the smoke detectors and duress buttons will not activate in an emergency and the alarm will not be able to activate for any reason, and that the alarm system will not be able to send signals to SLR Security Pty Ltd.
