

## SANCTUARY LAKES AS A SUBURB : COUNCIL MEETING

At 5pm today Wyndham City Council released the Ordinary Council Meeting Agenda for next Tuesday night's meeting which has Sanctuary Lakes as a Suburb listed as an agenda item. At the meeting your Councillor's will vote on the proposal.

The report prepared by staff from Council recommends Councillors **not** support Sanctuary Lakes becoming a Suburb.

We are disappointed that the report prepared by the Council recommends to vote against the Proposal.

We believe the suburb meets the criteria set out in the 'Naming Rules for places in Victoria'. Furthermore 84.5% of respondents to the survey (1,798 households) voted in favour of the proposal.

If you support the recognition of our identity, you have an opportunity to show this by attending the council meeting on June 5 at 7pm at the Wyndham Civic Centre.
